My Portfolio :-   https://kavindudevindaportfolio.netlify.app/

PROFILE

I am a quick learner, who excels in effective communication, possesses a wide range of skills and can build strong team relationships. My self-motivation, reliability, adaptability and ability to take initiative make me a valuable asset in both challenging situations and team environments, allowing me to perform well under pressure and meet strict deadlines.

WORK EXPERIENCE

IT - Intern   **Oct 2024 - May 2025**
Mobizz Elite (Pvt) Ltd

- Contributed to the development and maintenance of the company's website using HTML, CSS, JavaScript, and PHP.
- Modified and updated the internal admin dashboard built with Laravel based on company requirements, improving usability and functionality.
- Assisted in troubleshooting and resolving day-to-day IT issues, including network problems, email configurations, and CCTV system maintenance.
- Gained practical experience in web development, backend logic, and general IT support in a corporate environment.

Production - Intern   **June 2024 - Sep 2024**
MAS Intimates - Slimtex

- Assisted in data visualization of key production metrics to support decision-making and performance tracking.
- Gained practical experience in continuous flow processes and lean manufacturing systems.
- Supported reconciliation of production records and material usage for accurate reporting and planning.
- Monitored Cut Work-in-Progress (Cut WIP) and coordinated with relevant teams to ensure smooth workflow and reduce delays.
- Collaborated with production supervisors and floor staff to help optimize efficiency and meet daily production targets.

EDUCATION

Wayamba University of Sri Lanka   **2020 - 2023**
BSc(General) - Applied Sciences
- Computing & Information Systems
- Statistics
- Mathematics & Mathematical Modeling
- Electronics
